Other Important Information

Hudson View Christian Academy has partnered with FACTS Management Company to help us manage our tuition payment program and financial aid assessment. We are excited to be working with them and are confident this program will offer greater efficiency and financial stability for the school while providing convenience to families.

MONTHLY TUITION PAYMENTS

Through FACTS 12-month, 10-month, and payment in full plans are available and flexible. More details can be viewed on the FACTS website. The due date for tuition payments will depend on which payment plan your family is on. Please note that your family's payment plan and amounts will be determined during FACTS registration.

Please be aware that the plans "waterfall." Plan end dates are fixed and missing the sign up date will increase the amount of tuition divided over the rest of the payments. For example, if you missed the deadline to sign up for the 10 month payment plan that begins on September 5th and ends in June 5th, the adjusted plan would be a 9 month payment plan that begins on October 5th and ends on June 5th. The adjusted monthly payment would be divided by 9 instead of 10. If you would prefer to be on an invoice payment plan or would like to switch to a different payment plan, please contact our financial clerk, Mr. Karl Habana at treasurer@hudsonviewbaptistchurch.org. You can also contact him if you have any other questions or concerns related to tuition or other school payments during the school year.

PAID IN FULL DISCOUNT

8% off tuition if paid in full by the end of September.

BUS TRANSPORTATION

HVCA does not provide bus transportation. However, students who are residents of Westchester County may use bus transportation to non-public schools that is provided by their school district free of charge. Parents will need to fill out an application form requesting transportation services for the area in which they live. These application forms may be obtained from your local Board of Education. Please note that because most of the school districts require that applications for the next school year be delivered to them by the end of March, parents will want to take care of this in a timely fashion if they desire their children to be eligible for bus transportation in the fall. Parents may contact the Board of Education in their district for more information. Please note that the Yonkers school district does not provide busing for high school students but does give a discount for these students to ride public transportation. You will need to contact the Yonkers Board of Education for information on this matter.

BEFORE SCHOOL AND AFTER SCHOOL STAY

This is presently not available at HVCA. If you need this service, please contact us and we will try to arrange for a staff member to provide this service to you for a reasonable charge.
